Love INC is a Hancock County area ministry that helps churches to satisfy needs in the community. But let's make one thing very clear, LOVE INC is primarily concerned with spreading the gospel of Jesus Christ! We are following our Lord's command to help those in need in *His Name*, so that we will draw people to Him.

ABOUT YOUR MINISTRY EXPERIENCE

Prepare to Serve

When you get contacted to serve, please make sure you get all the information you need to complete the task. The clearinghouse representative will give you some information about the person or family. They will also provide you with the contact number (if available) and location.

You are the hands and feet of the Lord! Your willingness to serve will open doors to the hearts of people who might not know the Lord in any other way. You will have an opportunity to share how Jesus has worked in your life to overcome trials and tribulations. Perhaps you would like to share why you are there serving. But please, be sure to share something of your experience with the Lord .

Serve as if you are Serving the Lord

Sometimes it can be a little intimidating to share your faith. That's why we would like to offer some suggestions for how to spend your time fulfilling a need.

Before you serve, please take a moment to pray about your service. Pray that God will start working in the hearts of those you are about to serve so that they will be open to Him. Pray that God will use you to touch their lives. And pray that everything will go smoothly and pleasantly for everyone so that there are no distractions to take away from the opportunity to share the gospel.

As you begin to serve, make it a point to listen to the person in need. What is on their heart? Are there any clues as to where they are with the Lord? Sometimes just by listening we can speak volumes about the love of Christ.

When you serve, serve with excellence. Do everything as if you are doing it for the Lord, because you are! Whether it is raking leaves, delivering groceries, doing handyman jobs, or counseling, do everything to the best of your ability, knowing that God Himself is smiling at you as you offer your service as an act of worship to Him.

Before you leave, do your best to provide an opportunity for those you serve to come to know the Lord. Don't assume they know what it takes to be saved! It couldn't be simpler. Simply understand and agree that Jesus is who He says He is, the Son of God, and that He wants to know you personally. God sent His son in the person of Jesus Christ to do what we could not do on our own – make us acceptable to God so that we can be the people He designed us to be. All we have to do is trust Him to forgive and restore us to a relationship with the Father.

Finally, when you are done with your tasks, do not forget to thank the Lord for the ability and opportunity to further His kingdom by sharing love in the name of Christ.

Well done, good and faithful servant! Thank you!
